

Ghulam M. Bhat, PhD

AFFILIATE SCIENTIST

Current Position:

- Professor in Geology
- Head: Department of Geology
- Director: Institute of Energy Research & Training, University of Jammu
- Research Fellow: Controller of Examinations, University of Jammu (1st April 2010 – 21st March 2012)
- Maghreb Petroleum Research Group (MPRG), University College London
- Energy Geoscience Institute, University of Utah, Salt Lake City, USA
- Member, Task Force of experts for Landslide management in India, NDMA (August 2011

Professional Experience:

- Lecturer S. P. College Srinagar March 1986-October 1987 +1 ½ yrs
- Lecturer Geology Department, JU 23.10.1987 +11 yrs
- Reader Geology & Geophysics, KU 22.12.1999-9.6.2001 1 ½ yrs
- Reader Geology Department, JU 10.1.2001(Retrospective from 28.07.1998) 6 ½ yrs
- Professor Geology Department, JU 09.09.2006 +5 year

Research Experience:

- Research papers = 58
- Number of Abstracts published: 86

Select Publications

Edited Book (Advanced Research Series): Geoenvironment Challenges Ahead, MacMillan India Ltd., 2009, pp.1-320

Biostratigraphy, Structure and Depositional Environments of the Neoproterozoic Sirban Limestone, Proterozoic Evaporite Sequence and Tertiary Succession of Jammu, India, Field Guide Series 2: 2008, Publ. of the University of Jammu and University College London

Principal Editor, Geology and Hydrocarbon Potential of Neoproterozoic-Cambrian Basins in Asia, Geological Society of London, Spl. Volume (on line 2012)

Author: Landslide Investigation: Morphometric and Geotechnical Approach, A case study from Northwest Himalaya, India; ISBN 978-3-8443-0150-2; LAP Lambert Academic Publishing, p. 102, Germany (2011)

Research Interests

- Sedimentology
(field/exploration geologist)
- Geotechnical/Engineering
Geology/Seismology
